

SALTYBAY PIZZAS

Our talented chefs have developed our very own SaltyBay pizza dough that they make in-house every day. Our pizzas are hand-stretched to order and covered in our secret recipe tomato sauce and our own blend of cheese with a Cornish twist. Then we add the best locally-sourced ingredients for our toppings and cook in our authentic pizza oven.

PROPER PANUOZZO

The Panuozzo originates in Southern Italy just outside of Naples, it's a sandwich made with pizza dough and stuffed with various fillings. We've put our special SaltyBay twist on this Italian classic to make it a Proper Panuozzo! The bread is made on the premises and filled with our own house-cooked fillings and cheese, then put back into the pizza oven to blend all the flavours together.

Now that's a Proper Panuozzo!
