## PIZZA KITCHEN

# PROPER PANUOZZO

Lunchtimes only

The Panuozzo originates in Southern Italy just outside Naples, it's a sandwich made with pizza dough and stuffed with various fillings. We've put our special SaltyBay twist on this Italian classic to make it a Proper Panuozzo! The bread is made on the premises and filled with fresh local produce, then put back in the pizza oven to blend all the flavours together. Now that's a Proper Panuozzo!
